

Menu to a **HEALTHIER YOU**

BECAUSE THERE'S ONLY
ONE YOU

Working in partnership

Hull Culture and Leisure are the **biggest operator of leisure facilities across the city, managing eight leisure sites and over 100 parks across Hull**

We have worked with Hull City Council Public Health to produce this menu which will give you the information you need to know how to create a fitter, healthier you.

Physical activity benefits for adult and older adults

How exercise helps

-  **Benefits Health**
-  **Improves Sleep**
-  **Maintains Healthy Weight**
-  **Manages Stress**
-  **Improves Quality of life**

Reduces your chance of

- Type II Diabetes **-40%**
- Cardiovascular Disease **-35%**
- Falls, Depression and Dementia **-30%**
- Joint and Back Pain **-25%**
- Cancers (Colon and Breast) **-20%**

Something is better than nothing. Starting small and building up gradually with just 10 minutes at a time provides benefit. **Make a start today!**

What should you do?

Exercise should be part of your everyday routine. It helps you maintain your quality of life, makes you feel good and helps you age well. This means less time visiting the doctors and more time enjoying life.

Be Active

Vigorous

Moderate

Build Strength

For strong muscles, bones and joints

Walking is the perfect way to ease into a healthier lifestyle

It's the cheapest and easiest way to start improving your health and wellbeing – no gym memberships, no expensive kit required, simply leave the house and get walking for 10 minutes! If you want to go faster you can always jog or run instead.

Where can I do it?

Anywhere you like! Visit one of the parks in Hull and take in the scenery. You can incorporate a walk around the Animal Education Centre or Ferens Boating Lake while you're at East Park, a wander around the Sensory Garden at Pickering Park or even follow the Fish Trail or Larkin Trail and take in some of the city centre's architecture.

You're never far away from somewhere interesting to walk!

Why should I choose walking & running?

- + You can build it up.
- + You can fit it into your routine.
- + Great for relaxation.
- + Prevents many diseases.
- + Great for your mind!
- + The ultimate fat burner.

**Walking
& Running**

A photograph of three women of diverse ages and ethnicities swimming in a pool. They are all smiling and holding red kickboards. The water is bright blue with white splashes. The image is framed by a white border with diagonal lines. A teal triangle in the bottom-left corner contains the word 'Swimming' in white text.

Swimming

Swimming is a fantastic way of getting a full body workout

It uses all of the muscles in the body, whether you do a gentle paddle or swim loads of lengths, you will still feel the benefit.

Where can I swim?

If you want to go swimming then there are sessions available across Hull for any age or ability.

Traditional pools are available at Beverley Road Baths, Albert Avenue Pools , Ennerdale Leisure Centre and Woodford Leisure Centre.

Albert Avenue Pools, Woodford Leisure Centre and Ennerdale Leisure Centre also have teaching pools which are available at certain times throughout the week and weekend if you're new to swimming.

Why should I choose swimming?

- + It's great for your wellbeing!
- + Keeps you relaxed and de-stressed!
- + Burns the calories.
- + Lowers the risk of disease.
- + Amazing for rehab.

Cycling is a great way of getting active and can be combined with your daily commute to work or a trip to the shops

All you need is a bike and a helmet (lights if you cycle at night). If you're not that confident on your bike then Hull is one of the best places to get cycling with a huge network of cycle paths crossing the city.

Where can I do it?

For a fantastic cycling experience then visit the Ennerdale Cycle Circuit. It is a secure and traffic free 1km cycling venue enabling cyclists of all levels to get cycling without worrying about the roads. It's the perfect place to build up your confidence on a bike.

Changing rooms, toilets, car parking and secure bike storage are all available. Come along for a pay and ride session or get a group of friends together to book out a private session.

Why should I choose cycling?

- + Builds muscle.
- + Burns the calories.
- + Great for the lungs.
- + Cuts the risk of disease.
- + Gets the brain fit!

Cycling

A group of five people, three women and two men, are sitting on large blue exercise balls in a gym. They are all smiling and looking towards the left. The woman on the far left is wearing a bright pink jacket and black leggings. The man next to her is wearing a blue sleeveless shirt and shorts. The woman in the middle is wearing a grey long-sleeved shirt and pants. The woman on the far right is wearing a white top. The man on the far right is wearing a grey and white striped sweater and black pants. The gym floor is blue, and there are various pieces of equipment visible in the background, including racks of colorful dumbbells and a yellow cone. A large pink triangle is overlaid on the bottom left corner of the image, containing the text 'Gym & Classes'.

**Gym &
Classes**

If you'd like to get active indoors then you can try exercise classes or go into the gym

Most leisure centres offer a range of classes giving you the choice to suit your needs – classes can range from holistic such as yoga and pilates, to high intensity classes such as Zumba, circuit training and indoor cycling to get your blood pumping.

If you want support in how to train correctly then there are always fitness instructors available who can guide you and even help design a programme to meet your requirements.

Where can I do an exercise class/go to the gym?

At Hull Culture and Leisure our leisure sites offer pool exercise classes, fully equipped gyms and comprehensive fitness class programmes. With the sites being located in the heart of many communities they are easily accessible. If you'd like to book on one of our wide range of classes the schedules are available in your local leisure centres or online at www.hcandl.co.uk.

Why should I choose the Gym?

- + Work out with friends.
- + Pick and choose what works for you.
- + Great for body and mind.
- + Perfect for staying strong.
- + Ask the experts.
- + Do your cardio work in the gym.
